Dear Friend of Boylston,

Thanks to the support of local businesses and residents like yourself, Keep Boylston Beautiful, Inc. and hundreds of volunteers have contributed to our efforts of successfully removing **30,500+ pounds of litter** from our roadsides over the past nine years. Beyond litter removal, KBB has also donated a bench to Center Court Park, partnered with Boylston's Garden Club to plant new trees in the town center, and enhanced the Town Hall gardens with new pollinator friendly bushes and plants. Your support makes these community efforts possible, and we are honored to continue this tradition together.

As we mark our **10th** annual town-wide cleanup this spring, we remain committed to keeping Boylston beautiful. Unfortunately, litter continues to accumulate in our roads, parks, and public spaces. On Saturday, April 26th, and Sunday, April 27th, 2025, volunteers will once again come together to clean up our town. To help cover the cost of t-shirts and cleanup supplies, we are seeking sponsors from the Boylston business community to support this meaningful initiative and future beautification projects.

We truly appreciate your generosity and commitment to our town! Please join us in saying "Yes! I want to help Keep Boylston Beautiful!"
